

Les Grandes Vagues

Hossegor

DIRECTIONS FROM BIARRITZ AIRPORT (Anglet/Bayonne)

(0.0 km) Exit Airport Car Park

At first roundabout, straight on – following signs for motorway and San Sebastian

Next roundabout take 3rd exit signed San Sebastian (green sign)

(1.7 km) Next roundabout 2nd exit signed as before

(3.7 km) Next roundabout take 3rd exit to A63 Peage (Blue sign).

(3.9 km) – after paying 1.0 euros (I think), follow lane for Bordeaux/Bayonne/St.V.Tyrosse)

Proceed North on A63 for about 27.5 km

Exit autoroute at first sign for Capbreton/Hossegor, just after the motorway service station – if late, stop at service station to collect milk, butter, etc.

At Peage pay 1.5 E

At T Junction you want to be going left but cannot now. There is a new roundabout that forces you to right signposted to St Vincent de Tyrosse - at small roundabout go round back on yourself (still not signposted) and continue down the road until picking up signs for Capbreton/Hossegor

Drive through tree lined road to 35.1 km 1st roundabout (of thousands!) on town outskirts – straight over

Next roundabout turn right

Next 3 roundabouts – straight over – on the third is a petrol station and if you are there before 7.30 p.m. and want a shop – turn right for Leclerc – need 1 euro for trolley

Carry on with sports ground on left and straight over the next roundabout

Next roundabout take 3rd exit signed Port de Plaisance (tiny bumpy road with left and right traffic, so watch for tight bend)

At end of road, port in front of you, turn right.

Over bridge, and feed into the left filter to take next turning left, signed Capbreton

Then first left again, with river on left, travelling over the bridge

Follow road round to the right (sea on left) and wiggle, wiggle, past large block of flats on the left and come to parking either side of the road and then parking in the middle of the road – you have arrived at Place des Landais, with the main parade on the left leading down to the sea

Walk down towards the sea between the restaurants and Les Grandes Vagues is last building on the left, above the Royalty, after the Oceanic and the Pizzeria – go round in front of the building and the entrance is the white door, with Les Grandes Vagues marked clearly, between the Royalty and la Casa.

You will be met by either Grant or Jemma who will show you over the apartment, explain how everything works and give you the keys. They will also give you a contact number for them should you need to get in touch. (If they can be of assistance, they will be happy to do so.)
